Objective:

I'm a passionate front-end developer with a strong desire to learn and grow. I see every challenge as an opportunity to improve and expand my skills. My goal is to become part of a dynamic team where I can contribute meaningfully—not just by writing code, but by creating real impact. I believe in working with honesty and dedication, and I'm always eager to explore new tools and technologies that push me forward.

Experience:

Freelance Front-End Developer

Client: Saud Solutions (Remote)

Jan 2025 – Mar 2025

- Designed and developed a fully responsive eCommerce website for *saudsolutions.com* using **Next.js**, **Tailwind CSS**, and **TypeScript**.
- Implemented product listings, cart functionality, and responsive UI optimized for both desktop and mobile.
- Followed pixel-perfect design standards based on Figma mockups.
- Collaborated directly with the client to understand requirements and deliver a modern, user-friendly online shopping experience.
- Ensured website performance, responsiveness, and SEO-friendly structure.

Education:

Intermediate in Computer Science

Govt. Jinnah College, Karachi

2023 – Present (1st Year Completed)
